

Foundational Financial Plan

Date: May 22, 2008

From: Chief Apostle M. Christopher Wilson, Sr & The UFAI Executive Board

To: All UFAI Members, churches and Affiliates

Grace and Peace in the Matchless Name of the Risen Christ,

I pray that this communiqué finds you and yours in the flow of the abundance of God.

We are in a time that could very well be called a "depression" or "recession". However, it is most important in these times that we remember what the Word of God has taught us.

Gen 26:1; 12-14 KJV And there was a famine in the land, beside the first famine that was in the days of Abraham. **12** Then Isaac sowed in that land, and received in the same year an hundredfold: and the LORD blessed him. **13** And the man waxed great, and went forward, and grew until he became very great: **14** For he had possession of flocks, and possession of herds, and great store of servants: and the Philistines envied him.

I think that this verse speak so clearly to were we are in 2008. The people were in the mist of a famine. Mind you, this was in the after math of what they referred to as the first famine that was in Abraham's time. Yet, the 12th verse said that Isaac sowed in the land during, in the mist of, the famine.

Like Isaac, if we are to see UFAI grow we have to be willing to sow:

- ❖ In spite of what things look like.
- ❖ In spite of what everyone else is doing.
- ❖ In spite of what our National leaders and Media are saying.

We have to be willing to "*Walk by faith and not by sight*". We quote this a lot, but what does that really mean? It means that *we have to know by faith that what exist behind our eyes is more real than what is happening in front of us*. When we do this the bible has promised that "*God is a rewarder of them that diligently seek him*". To sow into UFAI in this economy is to truly seek God by faith and it merits a reward.

Verses 13-14 shows us the reward Isaac received and what I pray for you, if you believe God.

I pray that all the rewards of Isaac and his father Abraham would come upon you, your families, and your ministries as you seek God in your commitment to seed into UFAI.
